

Cooking for the Haven from Hunger

I am reminding the St Vasilios community of their generous commitment to helping others who are less fortunate by cooking for the Haven from Hunger, a shelter that feeds the hungry.

We will be preparing a church cooked meal on the 4th Wednesday of each month for pick up the next morning by the Haven.

The following is the schedule of the months chosen by various organizations, individuals and ministries of the church:

January	Brandon Simpson
February	PTA
March	Church school
April	Brandon Simpson
May	Philoptohos
June	PTA
July	Men`s Club
August	Men`s Club
September	Daughters of Penelope
October	Parish Council
November	Thanksgiving (City of Peabody prepares the meal)
December	Church School (unless Christmas falls on 4th Thursday, then City prepares the meal)

I want to personally thank all the groups for their time and effort for this meaningful cause.

If any parishioner would like to assist in cooking on any particular month, please contact the head of the group above to find out what time they will be preparing the meal. Also, if any group or individual would like to take the month of January beginning next year, we would not leave the Haven without food on that date. You can call Bonnie Antoniou at 978-532-3331 for more information.

Thank you for participating in this ministry and to committing to help those less fortunate,

My very best,
Steve Stephanides
