

GERONDELIS FOUNDATION

Louis Gerondelis, a proud Greek immigrant who made Lynn, his home, left a legacy of love and care for both his homeland and his adopted community. His foundation's mission of supporting Greeks, Greek-Americans, and the communities of Lynn and its surroundings continues to honor his memory. We are truly blessed to have been awarded a generous grant of \$500,000 towards our Parish Advancement Campaign. This transformative gift will not only revitalize our facilities but also strengthen our ability to serve and nurture the spiritual and cultural life of our community for generations to come. May Louis Gerondelis' memory be eternal, and may his example of faith and philanthropy continue to inspire us all.
